↗ www.rlcksa.com

RLC Contracting Company is a premier service provider in the Kingdom of Saudi Arabia, specializing in industrial solutions that drive efficiency and excellence. With a strong foundation built on experience, innovation, and reliability, we have established ourselves as a trusted partner for various industries, including construction, logistics, manufacturing, and IT.

Vision

To be a leading and trusted contracting company, delivering innovative and high-quality services that drive industrial growth.

Our commitment to quality, safety, and client satisfaction sets us apart in the competitive landscape.

Mission

Our mission is to provide high-quality industrial solutions with a strong focus on safety, efficiency, and innovation. By integrating advanced technologies and industry best practices, we strive to build lasting client relationships through cost-effective and tailored services.

Core Values

Integrity

Transparency and honesty in all dealings.

Excellence

Commitment to quality and innovation.

Safety

Prioritizing well-being and strict safety standards.

Customer Focus

Understanding and exceeding client needs.

Sustainability

Eco-friendly and responsible practices.

Heavy Equipment Rental

We provide a wide range of heavy equipment on a rental basis to support construction, industrial, and infrastructure projects. Our fleet is well-maintained and regularly inspected to ensure maximum efficiency and safety. Whether you need excavation, lifting, or material handling, we have the right equipment to meet your project requirements. Our rental solutions are cost-effective, flexible, and available for both short-term and long-term needs.

Excavators | Bulldozers | Cranes | Loaders
Forklifts | Backhoes | Road Rollers | Generators

Transportation & Logistics

Our transportation and logistics services ensure seamless movement of goods, equipment, and materials across various locations. We specialize in handling heavy cargo, offering customized solutions to optimize delivery timelines and reduce costs. With a fleet of modern vehicles and a team of experienced professionals, we guarantee safe and efficient transportation.

Our logistics expertise covers everything from supply chain management to on-time project deliveries.

- Heavy cargo transport
- Bulk material transportation
- Containerized freight services
- Supply chain and inventory management
- Cross-border logistics
- Warehouse storage and distribution

- Civil Engineers
- Mechanical & Electrical Technicians
- Welders and Fabricators
- Heavy Equipment Operators
- Safety Officers
- Skilled and General Laborers
- IT Specialists

Skilled Manpower Supply

We provide highly skilled and certified manpower to support industrial, construction, and engineering projects. Our workforce is trained to handle complex tasks with precision and efficiency, ensuring high productivity and safety on-site. Whether you need short-term project-based workers or long-term staffing solutions, we have a vast pool of professionals ready to meet your needs. We ensure compliance with industry standards and provide workforce solutions tailored to your project's demands.

Industrial Construction (Civil, Mechanical, Electrical)

RLC Contracting Company specializes in industrial construction, delivering top-tier civil, mechanical, and electrical services. Our expertise covers structural developments, heavy machinery installations, pipeline construction, and electrical system setups. We follow strict safety and quality protocols to ensure longlasting and high-performance infrastructure. From foundation work to complex mechanical systems, we provide end-to-end construction solutions for industries.

Industrial Material Supply

We supply high-quality industrial materials, ensuring reliability and durability for construction and manufacturing projects. Our extensive inventory includes steel, piping, electrical components, and mechanical equipment sourced from trusted suppliers. We focus on providing cost-effective materials that meet industry standards, helping clients complete projects efficiently.

IT Solutions

Our IT solutions cater to industrial and corporate sectors, providing innovative technologies for enhanced operational efficiency. We offer software development, network solutions, cybersecurity, and cloud-based services tailored to business needs. By integrating the latest digital advancements, we help companies streamline workflows and improve data management.

Plant Maintenance & Shutdown Works

We offer comprehensive plant maintenance and shutdown services to ensure uninterrupted industrial operations. Our team specializes in preventive maintenance, equipment overhauls, and emergency shutdown support to enhance operational efficiency. We help industries reduce downtime, improve safety, and extend the lifespan of critical machinery. With detailed planning and execution, we minimize disruptions while maximizing productivity

Hydraulic and Industrial Hose Solutions

We supply high-performance hydraulic and industrial hoses for various applications, including construction, oil & gas, and manufacturing industries. Our hoses are designed to withstand extreme conditions, ensuring durability and efficiency in fluid transfer. We also offer custom hose assemblies, fittings, and repair services to meet specific operational requirements. Our commitment to quality ensures leak-free performance and long-term reliability.
